**System of Care Language for Substance Abuse and Mental Health,**  
**and Community-Based Contracts**

## **SYSTEM OF CARE LANGUAGE FOR SAMH AND CBC CONTRACTS**

*Language will be inserted: B. Manner of Service Provisions*

### **6. Provider Responsibilities**

*b. Coordination with Other Providers/Entities*

### **CBC CONTRACTS**

The provider hereby agrees to develop and implement a system of care with the departments contracted Substance Abuse & Mental Health providers within their communities through the execution of a departmental approved Memorandum of Understanding (MOU) within 90 days from execution of contract. The intent of the MOU is to establish a formal linkage of partnerships with a shared vision for improving outcomes for families involved in the child welfare system, by providing integrated community support and services.

### **SAMH CONTRACTS**

The provider hereby agrees to develop and implement a system of care with the departments contracted Community Based Care providers within their communities through the execution of a departmental approved Memorandum of Understanding (MOU) within 90 days from execution of contract. The intent of the MOU is to establish a formal linkage of partnerships with a shared vision for improving outcomes for families involved in the child welfare system, by providing integrated community support and services.

*Language will be inserted: B. Manner of Service Provisions*

### **7. Department Responsibilities**

*a. Department Obligations*

### **BOTH CBC & SAMH CONTRACTS**

The department will participate in the collaborative development and implementation of the MOU with the Community Based Care and Substance Abuse and Mental Health providers to ensure the integration of services and support within the community. The department will support the development and implementation of the MOU by providing an example of a MOU, system of care information, data analysis and technical assistance.
