Use the Treatment Facility Locator

The SAMHSA Substance Abuse Treatment Facility Locator is a searchable directory of substance abuse treatment programs throughout the country. This easy-to-use online resource includes more than 11,000 addiction treatment programs, including residential treatment centers, outpatient treatment programs, and hospital inpatient programs for drug addiction and alcoholism. The Treatment Facility Locator can be accessed at <http://www.findtreatment.samhsa.gov/facilitylocator.doc.htm>

You can choose "Quick Search" and search for treatment programs within a specific city, street, and/or zip code. You can choose "Detailed Search" to search for specific treatment services, type of care, special programs and groups, special language services, forms of payment accepted, and payment assistance.
